*19 - 25 November 2018*

Once again this year the  
Italian Academy of Cuisine  
is involved in the  
organization of the third  
Week of Italian Cuisine in  
the World.

# WHAT

The Week of Italian Cuisine in the World is an annual event that aims to promote quality cuisine.

Cuisine is one of the essential components of Italy's identity and culture, as well as one of the features of Italy through its brands.

Focus on the traditions, handcrafted products and innovation.

WHY

During The Week of Italian Cuisine, Embassies, Consulates and Italian Cultural Institutes will programme several events connected with gastronomy and its cultural aspect.

# WHO

The Italian Academy of Cuisine, in cooperation with Ministries MIPAAF, MISE, MIUR, is one of the main partners of this successful project promoted by the Director General for Cultural and Economic Promotion and Innovation Vincenzo De Luca.

# FOCUS

The Focus of the year 2018 will be on  
“MEDITERRANEAN CUISINE” with a distinctly  
cultural slant associated with regional traditions  
and ingredients.

Each Delegation and Legation will commit to  
perform the scheduled events at their best.
